PORTABLE POWER BANK CARGADOR PORTÁTIL

Features:

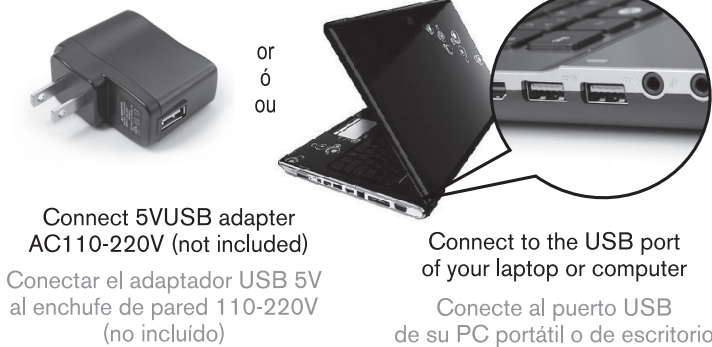

The Power bank features a blue LED indicator light which will appear when the power bank is charging your device. When the blue light turns off, it means your device is fully charged and the power bank is discharged.

Características:

El cargador dispone de un indicador LED azul que se encenderá cuando el banco de potencia esté cargando un dispositivo. Cuando el LED azul se apaga, significa que el dispositivo está completamente cargado y el banco de potencia está descargado.

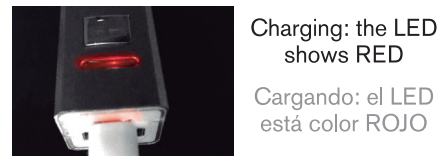

Charging the power bank Cargando el banco de potencia

Connect 5V USB adapter
AC110-220V (not included)
Conectar el adaptador USB 5V
